

## **2020 SPRING TRAINING WEEKEND—ATTENDEE CHECKLIST**

### **TRAINING GEAR TO BRING:**

- Inclement weather/rain gear. We will only break for severe weather/downpours, otherwise we will continue with the schedule in the rain.
- Sun block & chap stick
- Whistle
- Dog lead (slip lead preferred)
- Dummy bag or vest
- 2 or 3 retrieving dummies
- Bag chair or lawn chair

### **OTHER ITEMS:**

- A copy of your dog's current and up-to-date vaccinations for check-in. Minimum vaccinations required are: rabies, Bordetella, parvo, and influenza. No dogs will be allowed to join that are not current on vaccinations or have prior approval from Brookstone Kennels.
- Lunch is not provided as part of the training days. Please pack your own lunch to eat on the grounds. Alternatively, there are 2 restaurants in Oak Ridge that serve lunch (5 mins drive from the kennels).
- Bottled water will be provided to all attendee's throughout both training days. If you prefer an alternate beverage (soft drinks, sports drinks, etc) please plan to bring those with you.
- We require all dogs to be on leads when not in the training fields. Parking area, Big Top tent area, around the house, kennels, and buildings...all dogs should be on leads.
- We will have a marked and dedicated area near the parking area to air your dog when you arrive in the morning or on breaks. We ask that you please have disposable bags with you and clean up after your dog, this helps keep our grounds clean for future visitors and clients.
- There will be social hour in the Big Top tent area after we conclude for the day on Saturday. Please bring your own adult beverages if you would like to join us for a drink and chat.
- We would like to invite you to a group dinner Saturday night if you'd like to join us. Dinner will be at Port Cape restaurant in Cape Girardeau at 7:30pm. If you would like to join us please let us know so we can get an accurate head count for the restaurant.
